Explore a world of architecture in your own home and neighborhood!

Can you find any arches in your neighborhood? How many?

Do you or your neighbors have a porch or balcony? What types of items do people keep on their porches and balconies?

Front doors come in all styles and colors! Look at the doors on your home and in your neighborhood. What colors do you see?

How many windows can you count on your home?

Can you find a building with a fireplace chimney in your neighborhood?

CONTINUE THE FUN ON THE BACK!
Check off these **materials** when you see them on your home or in your neighborhood:

- BRICK
- ROOF SHINGLES
- WOOD SIDING

**What plants do you see as you walk around? Flowers? Grass?**

**Can you find a garage door?**

**Look for a staircase!** How many **stairs** can you count?

**Our homes are special places!**

Draw a picture of your home. What do you love most about your home?
