Thursday, Dec 29. Went out with Mr. Fille - took his match to discuss. In the afternoon went with Mr. Ward and Miss Ward to see some pictures of French paintings - a "face-times" man!!!! One day's food we by Gentry - called to "Hembl"nothing else of all extraordinary. At dinner we met Miss Blanch Moore - and Mr. Wilding - dining as usual a great deal.

Friday, Dec 30. Went out with Mr. Fille - stopped at Mrs. Bell's - lunched at a restuant - went to Pretoria Kreig's. There we saw King Vili Chapter and as well as a great grand stone - the oldest tomb is Rebrand the 10th in (I think) 619. We spent a very interesting two hours there. I saw two fiddlers and their fiddlers were loud.
